EDUCATION

University of Colorado Boulder

CLASIC

Master of Science in Computational Linguistics

Advisor: Dr. Susan Brown

Boulder, CO

August 2025–May, 2027

University Delaware

College of Arts and Sciences

Bachelor of Arts

Major: Linguistics, Minors: Computer Science & Cognitive Science

GPA: 3.67; Dean's List: Fall 2021, Spring 2022, Fall 2022, Fall 2023, Fall 2024

Newark, DE

August 2021-May, 2025

TECHNICAL SKILLS

Programming/Platforms	Proficient in Java, Python (Pytorch, NLTK, Pandas, HuggingFace), Elan (video annotation software), and Microsoft Office suite and Mac's equivalent options Experience in Javascript/TypeScript, C/C++, Terminal (VIM), Git (Github & Gitlab), LaTeX, PCIBex, Praat, and SQL (Oracle SQLDeveloper)
Tools	Knowledge of software development processes; proficient in music composition (MuseScore), sound editing (GarageBand), 3D modelling (Blender), and CAD design (Fusion 360)
Research & NLP	Low-resource language modeling, tokenization analysis, speech processing, linguistic annotation, experimental design, data parsing
Communication	Native speaker of English, fluent in French, intermediate level in Spanish, and novice in Arabic
General Skills	Hard working, organized, able to work independently or as part of a team, attention to detail, dependable, good oral and written communication skills

RESEARCH EXPERIENCE

Spec Decoding [PI Dr. Alexis Palmer]

Research assistant

Boulder, CO

November 2025 – May 2026

- Developed a low resource language draft model for knowledge distillation and training
- Gathered datasets, both monolingual and bilingual corpora, for low resource languages

French Clear Speech [PI Dr. Rebecca Scarborough]

Research student

Boulder, CO

October 2025-May 2026

- Investigated the change of nasal vowels in clear speech against casual speech
- Created/trained a random forest model to search specific values of nasal and oral vowels

Phonlab, University of Delaware [PI Dr. Kathryn Franich]

Research assistant

Newark, DE

February 2022–August 2022

- Analyzed and encoded subject head/hand gestures video data
- Annotated the structure and phases of co-speech gestures of the hands and head
- Applied coding scheme in the annotation of gestures for linguistics research
- Refined gesture coding protocols

Phonlab[PI Dr. Kathryn Franich]

Paid Research Assistant

Cambridge, MA

August 2022–February 2025

- Continued previous research on head/hand gesture
- Transcribed Cameroonian English
- Translated Consent Form from English to French

The UD Perception and Language Lab [PI Dr. Alon Hafri]
Undergraduate Research Assistant

Newark, DE
February 2023–May 2023

- Researched whether words that encode abstract conceptual distinctions share sound patterns across languages
 - Telic vs Atelic verbs with association with/without Plosives
 - Created Python code to parse a selection of words with or without plosives
- Studied object symmetry perception with visual and auditory stimuli
 - Helped complete pilot code to perform initial experiments
 - github repo, word association, study

UD Experimental Syntax Lab [PI Dr. Rebecca Tollan]
Undergraduate Research Assistant

Newark, DE
February 2023–May 2023

- Assistant programmer in priming test code for participants on the processing of ellipsis in English

PUBLICATIONS & PRESENTATIONS

When Multilingual Evaluation Assumptions Fail: Tokenization Effects Across Scripts
K H Manodnya, De Nardi Luc

Boulder, CO
January 2026

- Presented at LoResLM workshop in Rabat, Morocco
- <https://aclanthology.org/2026.loreslm-1.4/>

Orthographic Structure Matters: Tokenization Failures in Arabic-Script and Related Languages
K H Manodnya, De Nardi Luc

Boulder, CO
January 2026

- Presented at AbjadNLP workshop in Rabat, Morocco
- <https://aclanthology.org/2026.abjadnlp-1.2/>

WORK EXPERIENCE

SAFAL Conference [PI Dr. Bhuvana Narasimhan]
Technical student organizer

Boulder, CO
September 2025–November 2025

- Managed website update
- In charge of technical logistics during conference, facilitating Zoom and asynchronous presentations

ACTIVITIES AND INTERESTS

Sean's House Peer24 Program
Peer-Specialist volunteer

Newark, DE
July 2024–May 2025

- Certified for mental health support of fellow students

Boulder Music Ensemble

Boulder, CO
August 2025–present

- Campus Orchestra (French horn)
- Boulder Samba Group/Bateria Alegria (1st Surdo)

University of Delaware Music Ensembles

Newark, DE
August 2021–2025

- Collegiate Band, 8-Bit orchestra, Marching band, Steel Drum Orchestra, F Horn Ensemble

Música Latina Registered Student Organization
president/founder/arranger

Newark, DE
October 2023–September 2024

- Bass player/arranger
